

Sarasas Ektra School Study Tour "Camp Shafston"

Shafston International College,
Kangaroo Point, Brisbane, Australia

9 - 29 October 2011

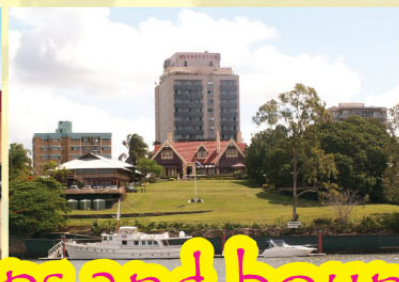

This October we are going again to beautiful Brisbane, Queensland's sunny sub-tropical capital. But Brisbane is not just a city of brilliant blue skies, stunning jacaranda blossom and the easy Queenslander lifestyle. It is also a centre of educational excellence where thousands of students from all corners of the globe come to study in schools, universities and language institutes.

Ektra students will be spending three weeks of intensive English study at Shafston International College on the riverside at Kangaroo Point, and five days at one of our partner schools in Brisbane.

The focus of Camp Shafston is on intensive English study and immersion in English. The college will provide the intensive English and our partner schools (together with homestay) the immersion.

More information about Shafston can be found at <http://www.shafston.edu/>

Students who wish to join the Camp should obtain an application form from the Primary or Secondary campus Administration Office and return it with the first deposit by Monday 15th August.
