

Ektra Newsflash (Summer School 2011)

A warm welcome to the new students to Sarasas Ektra and welcome all students to the Summer Courses. School is providing a variety of interesting courses. Not only will students gain knowledge and enjoy the activities provided, but they will also be in a familiar environment and supervised by teachers.

As for Infant parents who are concerned about the first timers at school, we ask you to place your trust in our teachers and have faith in our School. Furthermore, please encourage students and teach them the correct attitude about coming to school. This is to allow your children to slowly adjust to the new environment.

However, *new Infant students may not be comfortable in the new surroundings. Therefore, parents can pick up your children at 12.00 hrs. in the first week of Summer School.* Below are the regulations during Summer School. Please follow these instructions for the safety of your students and order in the school.

1. Class start – end time

Level	Morning assembly – Class start	Class Break	Lunch Break (Provided by School)	Nap (Infant)	Snack (Provided by School)	Class Ends

2. Break– Lunch break

Students are allowed to buy snacks, juices, fresh fruit and ice-cream during class break and lunch break. Prices range between 5 – 20 baht. We advise parents to provide the appropriate amount of pocket money for your children. For Infant students, the school will provide lunch, snacks, Ovaltine or soy milk so pocket money is not necessary. However, they are to bring 2 milk boxes and a spare outfit with them.

3. Afternoons – Class ends

Since all classes end at 14:00, traffic may be heavy when picking up your children. *You may reach the school from that time until 14:30.* It is not advised to arrive beforehand since it will cause blockage and it will waste more of your precious time than reaching school slightly after class ends. To prevent the problem, please bring your vehicle into the school grounds only during the mentioned time.

4. Opening and closing times for yards and gates
