St. John the Baptist Building

## The curtain comes down

GAC Assessments, Thai Examinations, University Entrance Examinations, Interviews, IELTS Tests, SAT Tests, ACT Tests - and still the students of Year 12 (GAC '5') managed to put on great Christmas Shows this year.

12E & 12D performed their final Ektra Christmas show in the auditorium, and below are some collated shots of the students.

## Merry Christmas

The staff and all the students of the GAC program would like to wish all members of the Sarasas community a very Merry Christmas, and very best wishes for the New Year.

Enjoy time with your families over the break, and please spare a thought for those who are less fortunate than ourselves at this festive time of the year.
