## GAC News

May 2016

### Another '1st' for Sarasas Ektra

#### Coming Soon

- **Re-sits & re-submissions**  
These will begin this month.
- **First assessments**  
Will begin in June.
- **Possible visit by Mr. Andrew Todd: General Manager (AES).**

#### GAC '6', '7' & '8'

**Remember:**  
start as you mean  
to go on -

- ⇒ **Be prepared for all your lessons.**
- ⇒ **Be an active part of every class.**
- ⇒ **Be sure to ask your teachers questions when you need help.**
- ⇒ **Be positive - if you want to succeed - you will.**
- ⇒ **Be the best you can be.**

At the most recent Graduation Ceremony, GAC '5' students celebrated their completion of the program on Saturday 12th March. Congratulations to all 28 students who managed to jump the final hurdle and get all their work done. The photograph on the right shows Phitsinee, Kanika, Waritha, Rawibun and Natnicha - all smiles after the awards - and now looking forward to life at university.

Ms. **Nicha Wilanan** - pictured left with School Director, Mr. Pisut, became the first ever GAC student (worldwide) to score top marks in every module that she took. A truly, absolutely amazing, achievement - to come top in all six subjects - over the three levels.

### GAC '8'

The new academic years sees another group of students putting themselves up for the challenge of the GAC program. This year there are new students from Sarasas Ektra, Sarasas Pittaya, and other schools in the two GAC '8' classes. All teachers and staff wish them the very best in their first year of the GAC.

**All students - remember to keep your classrooms clean and tidy: a clean environment is a happy environment.**
