

2nd February 2016

Subject Invitation to join the M.I. (Multiple Intelligences) Activity

To All parents of KG. 3 students

The school would like to thank all parents for your trust in the teaching and learning system in our school that encourages student's development through M.I. theory. The activity supports students to use their learning skills based on Multiple Intelligences. Developing thinking skills will be an important platform that helps develop student's learning.

On this occasion, the school is inviting all parents to join the M.I. activity to see students work and to support them on Friday 12th February 2016 from 8.30 am – 11.00am. Parents who are interested to join this activity can park at Pohman temple and the school will provide a shuttle-van service to and from the temple to school. In order to prepare the best for our visitors please return the form below to the class teacher by 5th February 2016.

For your acknowledgement. Thank you in advance.

Sincerely yours,

(Mrs. Paweenrat Boonsawat)

The Director of Infant Department
